

2020/21 SEASON TICKET FAQs

COMMON ENQUIRIES

Who can purchase a Season ticket during the first window of sale?

During the first window of sale, Season Tickets will be made available **online only** to current 2020/21 Season Ticket Holders and those who paid a 2020/21 Shield deposit to either renew their current Season Ticket seats or relocate to another available seat within the ground. Further windows of sale are TBD.

I am a season Ticket Holder but have not yet created a Bluebirds Club Account. How do I renew online?

All supporters purchasing online must create Bluebirds Club Account with a unique email address and link it to their individual Fan ID number. Please see the following video for help with creating your Bluebirds Club Account (if you haven't already done so): <https://youtu.be/B00xnshuAZA>

Please be advised that the same email address cannot be used to create two Bluebirds Club Accounts. Each individual Bluebirds Club Account must have a unique email address.

Am I able to purchase multiple Season Tickets in one transaction?

Supporters who wish to renew multiple tickets in one transaction must first be connected via their family and friends' network so that additional supporters can be assigned to Season Tickets within your basket. Please see the following video on how to do this: https://youtu.be/EAF0hSt_uPo

Bluebirds Credit can be used on an individual basis only and can only be used from the Bluebirds Club account that is logged in at the time of sale. Should you wish to use Bluebirds Credit from multiple accounts, then each ticket holder will need to login via their Bluebirds Club Account (one per person) and complete their individual purchase utilising their Bluebirds Credit.

I have forgotten my password, what can I do?

BLUEBIRDS CREDIT

What happens to my outstanding Ticket Office credit balances and the money that I paid for my Season Ticket during the 2020/21 Season?

We are moving your Ticket Office credit balances to a new 'Bluebirds Credit' Balance. The following applies:

- **2020/21 Season Ticket Holders who opted for a Streaming Pass** will have their Bluebirds Credit updated with the value of their 2020/21 Season Ticket, minus a £10-per-game deduction (from the first home league fixture following the redemption of their Streaming Pass).
- **2020/21 Season Ticket Holders who did not opt for a Streaming Pass** will have their Bluebirds Credit updated with the full value of their 2020/21 Season Ticket.

- **2019/20 Season Ticket or Match Ticket holders who opted for Ticket Office credit to be redeemed** in the 2020/21 season will have any outstanding Ticket Office credit balances added to their Bluebirds Credit.
- **2020/21 Season Ticket Holders who purchased a Seasonal Car Park pass for the 2020/21 Season** will have their Bluebirds Credit balance updated with the full value of their 2020/21 Seasonal Car Park pass.
- **Supporters who paid a 20% COVID Shield Deposit** to hold their seat for the 2021/22 Season will have their Bluebirds Credit updated with the full value of their COVID Shield Season Ticket deposit.

Supporters who have a combination of the above credit balances will have their outstanding credit balances combined and referred to as 'Bluebirds Credit'. Any outstanding Ticket Office credit balances from the 2020/21 Season will also be combined into the supporters 'Bluebirds Credit' Balance.

Bluebirds Credit will be accepted as a method of payment for your season ticket purchase. Any supporters that are in receipt of a 'Bluebirds Credit' from the 2020/21 season can use this towards the renewal of their 2021/22 Season Ticket.

Bluebirds Credit can be used on an individual basis only and can only be used from the Bluebirds Club account that is logged in at the time of sale. Should you wish to use 'Bluebirds Credit' from multiple accounts, then each ticket holder will need to login via their Bluebirds Club Account (one per person) and complete their individual purchase utilising their Bluebirds Credit.

Further information on how to use your Bluebirds Credit will be released closer to the time of sale.

IN THE EVENT OF A REDUCED STADIUM CAPACITY/FANS BEING UNABLE TO ATTEND DURING 2020/21, THE FOLLOWING QUESTIONS MAY BECOME RELEVANT:

How will the club determine which Season Ticket Holders are allowed into Cardiff City Stadium in the event of a reduced capacity being permitted?

If any home fixtures included as part of your Season Ticket package are played behind closed doors, or with a reduced capacity (that affects your purchase) during the 2021/22 season because of the COVID-19 pandemic, it is our intention to offer all Season Ticket holders the chance to apply for a match ticket. The method of applying for a ticket is still to be confirmed at this moment in time but is likely to be an online process.

Those who are unsuccessful in their application will be awarded Club credit (Bluebirds Credit) accumulated to the value of their Season Ticket price per game which can be used towards the renewal of a 2022/23 Season Ticket or towards home league tickets during the 2022/23 season. Credit amounts will be totalled periodically, with our intention of reconciling and confirming balances ahead of 2022/23 Season Ticket renewals.

Will I be able to sit in my seat for every Cardiff City home fixture?

In the event of fixtures being played with reduced capacity restrictions because of the COVID-19 pandemic, we cannot guarantee that your usual seat will be available. In such cases we will issue you a match ticket for an alternative seat, subject to availability, and advertised selection procedure.

Is a cash refund available for matches played behind closed doors or if I am not able to attend a match due to factors resulting from the coronavirus pandemic such as limited capacities?

No. In this situation, Bluebirds Credit to the Season Ticket value per game will be awarded and can be used towards ticketing products throughout the 2022/23 Season as well as selected retail products from the Club Superstore. For further details please refer to our terms and conditions.

What streaming services are being provided as part of my Season Ticket?

It is our intention to offer supporters who are unsuccessful in reduced capacity event applications the opportunity to claim and redeem a streaming voucher to watch the event via Cardiff City TV (subject to governing body permissions). Should you choose to redeem a match streaming pass in this situation, the price of the stream will be deducted from your accumulated Bluebirds Credit. Stream Prices for 2021/22 Season are TBC.

Is a cash refund available for any matches that a Season Ticket Holder can't attend due to COVID-19 pandemic, should they choose not to use the streaming service?

No. Whilst we appreciate that not all supporters may wish (or be able to make use of) streaming services, there will be no price reduction or cash refund available in the event a fixture must be played behind closed doors.

What matches would I be able to stream, should games be played behind closed doors?

All home games included within your Season Ticket that are played behind closed doors or with a reduced capacity as a consequence of the COVID-19 pandemic will be available to stream, subject to governing body approval.

Will the club be offering a COVID-19 Shielding Season Ticket deposit for the 2021/22 Season?

The COVID-19 shield deposit is no longer available. Supporters who paid a 20% Covid Shield Deposit to hold their seat for 2021/22 Season will have their Bluebirds Credit updated with the full value of their Covid Shield Season Ticket deposit.
