Complaints Procedure

It is the responsibility of staff at the Club to ensure that all correspondence received is responded to within three working days of receipt. If a complaint requires additional investigation, then the supporter will be notified of this.

All correspondence received is passed onto the relevant Head of Department (where necessary) in order for the appropriate action/investigation to take place.

Feedback received allows us to measure our success off the field, helping us to develop. It is not possible for all policies and procedures to appeal to all supporters of the Club; however, all constructive feedback is welcomed.

Should a supporter have comments, suggestions, ideas, queries or complaints relating to Cardiff City Football Club, they can contact our Head of Fan Engagement **Amy James** in the following ways:

Email: club@cardiffcityfc.co.uk

Post: Cardiff City FC, Cardiff City Stadium, Leckwith Road, Cardiff, CF11 8AZ

The vast majority of supporter and customer complaints are successfully brought to a conclusion by the Club. However, if a supporter is not completely satisfied with the outcome of their complaint, they should refer the matter directly to The Independent Football Ombudsman (IFO).

Complaints should be made in writing and may be submitted by post to: **The Independent Football Ombudsman**, Suite 33, Great George Street, Leeds, LS1 3AJ; by e-mail to contact@theifo.co.uk or via their website theifo.co.uk.

It has a clear remit to receive and adjudicate on complaints from football supporters and participants that have not been resolved by the football authorities, and to raise any policy issues which have been highlighted by those complaints, directly with The FA, Premier League and The Football League. The Ombudsman is an independent and final arbiter of football complaints.

The Independent Football Ombudsman (IFO) is the final stage in the complaints process established by the English professional Football Authorities (FA), The Premier League and The Football League.

The IFO is comprised of an Ombudsman, his Deputy and an Advisory Panel. This section explains the role of the IFO. Further information and guidance are available in a short leaflet, which may be requested, using any of the contact addresses given below.

For further information on the IFO, please visit the website theifo.co.uk or contact them using the details above.

APPENDIX – Relevant legislation and forms of unacceptable discrimination

Legal rights

Discrimination has been legally defined through a series of legislative acts, including the Race Relations Act, the Sex Discrimination Act, the Disability Discrimination Act and the Equality Act 2006.

In April 2010, the Equality Act 2010 received Royal Assent. The Equality Act 2010 is a new law which harmonises where possible, and in some cases extends, protection from discrimination. It applies throughout the UK and came into force in October 2010.

Discrimination refers to unfavourable treatment on the basis of particular characteristics, which are known as the 'protected characteristics'. Under the Equality Act 2010, the protected characteristics are defined as age (employment only until 2012), disability, gender reassignment, marital or civil partnership status (employment only), pregnancy and maternity, race (which includes ethnic or national origin, colour or nationality), religion or belief, sex (gender) and sexual orientation.

Under the Equality Act 2010, individuals are protected from discrimination 'on grounds of' a protected characteristic¹. This means that individuals will be protected if they have a characteristic, are assumed to have it, associate with someone who has it or with someone who is assumed to have it.

Forms of discrimination and discriminatory behaviour include the following:

Direct discrimination

Direct discrimination can be described as less favourable treatment on the grounds of one of the protected characteristics.

Indirect discrimination

Indirect discrimination occurs when a provision, criterion or practice is applied to an individual or group that would put persons of a particular characteristic at a particular disadvantage compared with other persons.

Discrimination arising from disability

When a disabled person is treated unfavourably because of something connected with their disability and this unfavourable treatment cannot be justified, this is unlawful. This type of discrimination only relates to disability.

Harassment

Harassment is defined as unwanted conduct relating to a protected characteristic that has the purpose or effect of violating a person's dignity, or which creates an intimidating or hostile, degrading, humiliating or offensive environment for that person.

Victimisation

It is unlawful to treat a person less favourably because he or she has made allegations or brought proceedings under the anti-discrimination legislation, or because they have helped another person to do so. To do so would constitute victimisation.

Bullying

Bullying is defined as a form of personal harassment involving the misuse of power, influence or position to persistently criticise, humiliate or undermine an individual.

¹ The exception to this is pregnancy and maternity, which does not include protection by association or assumption – a woman is only protected from discrimination on grounds of her own pregnancy.

Behind Closed Doors/ Reduced Capacity Fixtures

If any home fixture included as part of your Season Ticket is played behind closed doors, or with a reduced capacity (that affects your purchase) during the 2021/22 season as a result of the COVID-19 pandemic, it is our intention to offer all Season Ticket holders the chance to enter the selection process for a chance to secure a ticket for a reduced capacity home league match.

The Club aims to announce individual on-sale dates for these events. Supporters will need to apply for each reduced capacity home league fixture via our official ticketing website tickets.cardiffcityfc.co.uk.

The order of the 'sale' will be as follows:

- Supporters who had a Season Ticket for the 2020/21 Season and have renewed their Season Ticket for the 2021/22 Season will be included in the first stage of sale for the first home league game and will have an equal opportunity to apply online for a ticket (subject to the time and date of the Season Ticket purchase). Supporters will be required to join the online queue at the advertised time of sale and will be randomly selected to enter the ticketing site and apply for a ticket. Supporters who are successful entering the site during the time of sale will also be able to select tickets for fellow Season Ticket Holders within their pre-created family and friends' network (subject to government and governing body restrictions at the time of sale, current regulations at the time of this documents publication allow 6 households to sit together). **Supporters are encouraged to purchase in groups to maximise the number of supporters allowed at the stadium.**
- Supporters who are successful in pulling a ticket for the first reduced capacity Home League game will be excluded from the first stage of sale for the next reduced capacity home league fixture on sale.
- Supporters who missed out or were unsuccessful in applying for a ticket for the first game will have a priority window to apply for a ticket for the next game. Once this window has finished, the remaining renewed Season Ticket holders who were successful in applying for the first game will be able to enter the selection process for the next. This procedure will continue for the first stage of sale until fixtures resume at full capacity.
- Please be advised that supporters who purchase a new Season Ticket for the 2021/22 Season but did not have a full paid 2020/21 Season Ticket will not be able to apply for a ticket for a reduced capacity event until Government policy allows a distance of 1 metre between supporters within the stadium. Once a distance of Circa 1m is agreed, new Season Ticket holders will be able to enter the selection process. Subject to availability and application process.
- Should there be sufficient capacity remaining after the Season Ticket holder stage, the club may put remaining tickets on sale to Club members.
- Should there be sufficient capacity remaining after the Club member stage, the club may put tickets on general sale.

In the event of fixtures being played with reduced capacity restrictions as a result of the COVID-19 pandemic, we cannot guarantee that your renewed/purchased Season Ticket seat will be available. In such cases we will issue you ticket for an alternative seat, subject to availability and selection procedure in place.

Those who are unsuccessful in their application will be awarded Bluebirds Credit accumulated to the value of their Season Ticket price per game which can be used towards the renewal of a 2022/23 Season Ticket; towards home league tickets during the 2022/23 season; and selected retail products during the 2022/23 Season. Credit amounts will be totalled periodically, with our intention to reconcile and confirm ahead of 2022/23 season renewals.

It is our intention to offer supporters who are unsuccessful in their reduced capacity event applications the opportunity to claim and redeem a streaming voucher to watch the event via Cardiff City TV subject to approval and operational requirements from the governing body. Should you choose to redeem a match streaming pass in this situation, the price of the stream will be deducted from your accumulated Bluebirds Credit for that event. Streaming prices for the 2021/22 Season are TBC.

In addition, to compensate for matches played behind closed doors, Season Ticket Holders applying for a streaming pass may also be entitled to a partial credit depending on the price of the stream and the value of the Season Ticket per game.

Applying for a streaming pass for reduced capacity fixtures or games behind closed doors is optional but please be advised that once a code has been redeemed, supporters do not have the opportunity to opt out (subject to operational guidelines for the stream package).

The Club commits to reviewing policy at regular intervals, in accordance with government or governing body policy.

Any Bluebirds Credit accumulated during the 2021/22 Season as a result of games being played behind closed doors or at reduced capacity will be accumulated and awarded at the end of the 2021/22 Season and can be used towards the renewal of a 2022/23 Season Ticket; towards home league tickets during the 2022/23 season; and selected retail products during the 2022/23 Season. Credit amounts will be totalled periodically, with our intention to reconcile and confirm ahead of the 2022/23 season.

Supporters attending reduced capacity fixtures or fixtures deemed as 'test events' by the Welsh/UK Government may be required to participate in COVID-19 testing prior to attending the game. A COVID-19 questionnaire may also need to be completed prior to downloading your ticket to attend such events. Cardiff City FC reserves the right to deem reduced capacity fixtures as 'Digital only' events where a digital NFC Mobile ticket/Mobile Ticket will be required to attend. Should a supporter successfully apply for a ticket via the proposed selection method and fail to attend the event for any reason, they will still be charged for the event from their Season Ticket balance. Refunds will not be provided should a supporter miss a game due to illness or a positive/inconclusive COVID-19 test.

Abandoned / Postponed Matches

In the case of an abandoned or postponed fixture, ticket holders are entitled to use their original ticket to access the re-arranged game. Match ticket refunds will only be considered if there are extenuating circumstances which are agreed by the Ticket Office. In the event of an away fixture, the ticket will need to be returned to the Ticket Office no later than 24 hours before the day of the event. The club does not provide refunds for any postponed or rearranged matches for Season Ticket holders. If a match is abandoned after spectators are admitted to the ground but before kick-off, ticket holders will be entitled to

free admission to the rearranged match. If a match is abandoned after kick-off, the Club reserves the right to charge the full ticket price for the rearranged match; however, every effort will be made to avoid this.

Match Cancellations

If a match is cancelled and not rearranged, Season Ticket Holders are entitled to a pro-rata refund to the value of their Season Ticket for that event. A procedure will be put in place where supporters can select their preferred method of refund. Methods of refund include cash, credit, or a Cardiff City FC Academy donation. Supporters will have a time frame of approximately two weeks after the cancelled match to select their preferred method of refund.

Fixtures played at full capacity

Should the Club be allowed to operate a home league fixture at full capacity (Subject to Governing body/Welsh Government approval) all 2021/22 Season Ticket Holders will be able to attend the event and sit in their purchased Season Ticket seats as part of their Season Ticket package. No refund will be provided for those who do not attend.

Bluebirds Credit

- 2020/21 Season Ticket Holders who opted for a Streaming Pass will have their Bluebirds Credit updated with the value of their 2020/21 Season Ticket, minus a £10-per-game deduction (from the first home league fixture following the redemption of their Streaming Pass).

The Club aims to announce individual on-sale dates for these events. Supporters will need to apply for each reduced capacity home league fixture via our official ticketing website tickets.cardiffcityfc.co.uk.

The order of the 'sale' will be as follows:

- Supporters who had a Season Ticket for the 2020/21 Season and have renewed their Season Ticket for the 2021/22 Season will be included in the first stage of sale for the first home league game and will have an equal opportunity to apply online for a ticket (subject to the time and date of the Season Ticket purchase). Supporters will be required to join the online queue at the advertised time of sale and will be randomly selected to enter the ticketing site and apply for a ticket. Supporters who are successful entering the site during the time of sale will also be able to select tickets for fellow Season Ticket Holders within their pre-created family and friends' network (subject to government and governing body restrictions at the time of sale, current regulations at the time of this documents publication allow 6 households to sit together). **Supporters are encouraged to purchase in groups to maximise the number of supporters allowed at the stadium.**
- Supporters who are successful in pulling a ticket for the first reduced capacity Home League game will be excluded from the first stage of sale for the next reduced capacity home league fixture on sale.
- Supporters who missed out or were unsuccessful in applying for a ticket for the first game will have a priority window to apply for a ticket for the next game. Once this window has finished, the remaining renewed Season Ticket holders who were successful in applying for the first game will be able to enter the selection process for the next. This procedure will continue for the first stage of sale until fixtures resume at full capacity.
- Please be advised that supporters who purchase a new Season Ticket for the 2021/22 Season but did not have a full paid 2020/21 Season Ticket will not be able to apply for a ticket for a reduced capacity event until Government policy allows a distance of 1 metre between supporters within the stadium. Once a distance of Circa 1m is agreed, new Season Ticket holders will be able to enter the selection process. Subject to availability and application process.
- Should there be sufficient capacity remaining after the Season Ticket holder stage, the club may put remaining tickets on sale to Club members.
- Should there be sufficient capacity remaining after the Club member stage, the club may put tickets on general sale.

In the event of fixtures being played with reduced capacity restrictions as a result of the COVID-19 pandemic, we cannot guarantee that your renewed/purchased Season Ticket seat will be available. In such cases we will issue you ticket for an alternative seat, subject to availability and selection procedure in place.

Those who are unsuccessful in their application will be awarded Bluebirds Credit accumulated to the value of their Season Ticket price per game which can be used towards the renewal of a 2022/23 Season Ticket; towards home league tickets during the 2022/23 season; and selected retail products during the 2022/23 Season. Credit amounts will be totalled periodically, with our intention to reconcile and confirm ahead of 2022/23 season renewals.

It is our intention to offer supporters who are unsuccessful in their reduced capacity event applications the opportunity to claim and redeem a streaming voucher to watch the event via Cardiff City TV subject to approval and operational requirements from the governing body. Should you choose to redeem a match streaming pass in this situation, the price of the stream will be deducted from your accumulated Bluebirds Credit for that event. Streaming prices for the 2021/22 Season are TBC.

In addition, to compensate for matches played behind closed doors, Season Ticket Holders applying for a streaming pass may also be entitled to a partial credit depending on the price of the stream and the value of the Season Ticket per game.

Applying for a streaming pass for reduced capacity fixtures or games behind closed doors is optional but please be advised that once a code has been redeemed, supporters do not have the opportunity to opt out (subject to operational guidelines for the stream package).

The Club commits to reviewing policy at regular intervals, in accordance with government or governing body policy.

Any Bluebirds Credit accumulated during the 2021/22 Season as a result of games being played behind closed doors or at reduced capacity will be accumulated and awarded at the end of the 2021/22 Season and can be used towards the renewal of a 2022/23 Season Ticket; towards home league tickets during the 2022/23 season; and selected retail products during the 2022/23 Season. Credit amounts will be totalled periodically, with our intention to reconcile and confirm ahead of the 2022/23 season.

Supporters attending reduced capacity fixtures or fixtures deemed as 'test events' by the Welsh/UK Government may be required to participate in COVID-19 testing prior to attending the game. A COVID-19 questionnaire may also need to be completed prior to downloading your ticket to attend such events. Cardiff City FC reserves the right to deem reduced capacity fixtures as 'Digital only' events where a digital NFC Mobile ticket/Mobile Ticket will be required to attend. Should a supporter successfully apply for a ticket via the proposed selection method and fail to attend the event for any reason, they will still be charged for the event from their Season Ticket balance. Refunds will not be provided should a supporter miss a game due to illness or a positive/inconclusive COVID-19 test.

Abandoned / Postponed Matches

In the case of an abandoned or postponed fixture, ticket holders are entitled to use their original ticket to access the re-arranged game. Match ticket refunds will only be considered if there are extenuating circumstances which are agreed by the Ticket Office. In the event of an away fixture, the ticket will need to be returned to the Ticket Office no later than 24 hours before the day of the event. The club does not provide refunds for any postponed or rearranged matches for Season Ticket holders. If a match is abandoned after spectators are admitted to the ground but before kick-off, ticket holders will be entitled to free admission to the rearranged match. If a match is abandoned after kick-off, the Club reserves the right to charge the full ticket price for the rearranged match; however, every effort will be made to avoid this.

Match Cancellations

If a match is cancelled and not rearranged, Season Ticket Holders are entitled to a pro-rata refund to the value of their Season Ticket for that event. A procedure will be put in place where supporters can select their preferred method of refund. Methods of refund include cash, credit, or a Cardiff City FC Academy donation. Supporters will have a time frame of approximately two weeks after the cancelled match to select their preferred method of refund.

Fixtures played at full capacity

Should the Club be allowed to operate a home league fixture at full capacity (Subject to Governing body/Welsh Government approval) all 2021/22 Season Ticket Holders will be able to attend the event and sit in their purchased Season Ticket seats as part of their Season Ticket package. No refund will be provided for those who do not attend.

Bluebirds Credit

- 2020/21 Season Ticket Holders who opted for a Streaming Pass will have their Bluebirds Credit updated with the value of their 2020/21 Season Ticket, minus a £10-per-game deduction (from the first home league fixture following the redemption of their Streaming Pass).
- 2020/21 Season Ticket Holders who did not opt for a Streaming Pass will have their Bluebirds Credit updated with the full value of their 2020/21 Season Ticket.
- 2019/20 Season Ticket or Match Ticket holders who opted for Ticket Office credit to be redeemed in the 2020/21 season will have any outstanding Ticket Office credit balances added to their Bluebirds Credit.
- 2020/21 Season Ticket Holders who purchased a Seasonal Car Park pass for the 2020/21 Season will have their Bluebirds Credit balance updated with the full value of their 2020/21 Seasonal Car Park pass.
- Supporters who paid a 20% COVID Shield Deposit to hold their seat for the 2021/22 Season will have their Bluebirds Credit updated with the full value of their COVID Shield Season Ticket deposit.

Supporters who have a combination of the above credit balances will have their outstanding credit balances combined into one overall amount referred to as 'Bluebirds Credit'. Any outstanding Ticket Office credit balances will also be combined into the supporter's 'Bluebirds Credit' balance.

Bluebirds Credit can be redeemed against selected retail products, home league tickets (subject to availability and sales criteria) and 2021/22 Season Tickets.

Bluebirds Rewards retail redemptions can be made online and in store. In store redemption is subject to receiving your 2021/22 Season Ticket and presenting your Card at the time of purchase.

Bluebirds Credit is awarded on an individual basis and cannot be transferred between supporters.

Full Bluebirds credit terms and conditions can be found at www.cardiffcityfc.co.uk.

Charities & Good Causes Policy

Cardiff City Football Club understands the positive impact it can have in helping generate much-needed funds for charities and good causes. The Club aims to support the hard work of charities and fundraising groups across the country, but particularly in the local area.

Cardiff City FC's recognised charity partner for the 2021/22 season is **Cardiff City FC Community Foundation**.

Cardiff City Foundation received charity status in 2009 and aims to use the power of sport and education to change lives and inspire people to be more active, included, healthy and knowledgeable. It reaches over 30,000 people every year, but has aspirations to reach many more. The Foundation is responsible for thousands of young people participating in grassroots football, both in and out of school curriculum time, bringing the professional game closer to the community.

The Club receives well over a thousand charitable requests for tickets, signed memorabilia and donations during a season. Whilst we do our best to support as many as we are able to, unfortunately we cannot guarantee a successful application. Signed memorabilia is reserved for our nominated charities, although requests from long-standing season ticket holders will be carefully considered.

On a number of occasions throughout the season, the Club will accommodate bucket collections at the Stadium on a matchday from selected registered charities. Applications for collections should be made to Ben Jones.

As we receive a huge quantity of applications, the Club will seek to fulfil requests from organisations in the local area prior to any national groups. However, the Club may make special provisions for exceptional cases and some national campaigns.

All applications should be made to ben.iones@cardiffcityfc.co.uk or by post to: **Ben Jones**, Cardiff City Football Club, Cardiff City Stadium, Leckwith Road, Cardiff, CF11 8AZ.
