INTRODUCTION

Welcome to Cardiff City Football Club's Customer Charter for the 2025/26 season.

Cardiff City Football Club is dedicated to providing the best possible matchday experience for all visitors to Cardiff City Stadium.

Our Charter is designed to help our supporters understand the Club's policies, and to make your experience with us as enjoyable and memorable as possible. It covers a wide range of aspects and is intended to further improve communication channels between the Club and our fan base.

If you want to send us a compliment, raise a concern or complaint, report something, or simply provide feedback then you can e-mail us at club@cardiffcityfc.co.uk. Alternatively, if you are at an event and want us to be able to react immediately you can use the QR code published across the stadium and complete the online form, or call / message us on 07484 070422.

At the heart of everything we do here at Cardiff City is our loyal and passionate fan-base, which is why we actively encourage fans to get in touch. We want to hear from you, as we strive to make the matchday experience the best it can be, regardless of whether it's a positive or negative message. Two-way communication is critical to improving the service we deliver.

Any contact will be referred to the appropriate member of our team, and you will receive an acknowledgement as required. We will aim to provide a more detailed response where necessary within 10 working days, with more complex matters sometimes taking a little longer.

Thank you for your continued support.

CUSTOMER SERVICE and COMPLAINTS

Complaints Procedure:

When a complaint is received, we will acknowledge receipt within 3 working days. We will endeavour to issue a full response within 10 working days unless there are extenuating circumstances. If a complaint requires additional investigation, the complainant will be notified of this.

Upon receipt the relevant Head of Department is made aware of the matter and will arrange for the appropriate action/investigation to take place.

We learn from our Complaints Process. We do not see the receipt of complaints as a negative as they allow us to measure our success off the field and help us to develop. It is not possible for all policies and

procedures to appeal to all supporters of the Club; however, all constructive feedback is welcomed.

Most complaints are successfully concluded by the Club. However, if a complainant is not completely satisfied with the outcome, they can refer the matter directly to The Independent Football Ombudsman (IFO).

Complaints should be made in writing and may be submitted to:

Independent Football Ombudsman
Premier House
1-5 Argyle Way
Stevenage
Hertfordshire
SG1 2AD

contact@theifo.co.uk

The IFO is comprised of an Ombudsman, his Deputy, and an Advisory Panel. The Ombudsman is an independent and final arbiter of football complaints.

Established at the beginning of the 2008-09 season it has a clear remit:

- To receive and adjudicate on complaints from football supporters and participants that have not been resolved by the football authorities.
- To raise any policy issues which have been highlighted by those complaints, directly with the FA, Premier League, and the English Football League (EFL). The Ombudsman is an independent and final arbiter of football complaints.

The IFO is the final stage in the complaints process established by the English Professional Football Authorities (The FA), The Premier League and The Football League.

Further information and guidance are available in a short leaflet, which may be requested, using any of the contact addresses given below.

For further information on the IFO, please visit their [website](#) or contact them using the details above.

Fan Advisory Board (FAB)

The Cardiff City Fan Advisory Board (FAB) is an independent body of club supporters. There are 10 people on the board. Five are supporters who were elected by Season Ticket holders and Club members, two are members of Cardiff City Supporters' Trust (CCST), two are members of Cardiff City Supporters' Club (CCSC) and the other one is a member of Cardiff City Disabled Supporters' Association (CCDSA).

The club representatives who meet with the FAB are known as the Cardiff City Football Club Fan Engagement Panel (CCFC FEP). This panel will routinely consist of:

- ◆ Steve Borley – Nominated Board Level Representative (NBLR)
- ◆ Phil Jenkins – Financial Director

- ◆ Mona Sabbuba – Head of Ticketing
- ◆ Wayne Nash – Head of Operations
- ◆ Dawn Williamson – Head of Human Resources
- ◆ Amy James – Head of Fan Experience
- ◆ Lee Southernwood – Head of Football Operations
- ◆ Huw Warren – Head of Commercial

In line with EFL regulations 128.1, 128.2 and 128.3 the FAB and CCFC FEP will meet a minimum of two times per season (a minimum of four times in each calendar year) and the Club will host the meetings. Minutes will be produced as per the Club's Fan Engagement Plan (see APPENDIX 8). Discussions will focus on short, medium and long-term Club strategy and will give supporters a voice and understanding on some decision-making that will directly affect them.

The FAB Meetings are not an open forum.

Supporter Liaison Officer (SLO) Meetings

In addition to the FAB Meetings there will be a minimum of three SLO meetings each season. These meetings will focus on operational matters relating to the Club. The Club will always be represented by at least two Heads of Departments and occasionally by a Club Director.

All supporter groups are invited to these meetings and individual fans are also welcome to attend. If you are interested in attending one of these meetings, please contact Paul Corkrey, the Club SLO at slo@cardiffcityfc.co.uk.

Minutes of previous meetings are available here: <https://www.cardiffcityfc.co.uk/club/supporter-meetings>

Fans Parliament

The Club will organise and host a meeting each year between Club Directors / Heads of Department and up to one hundred randomly selected Season Ticket Holders / Club Members. These meetings are open discussion forums giving an opportunity to discuss all aspects of the football Club.

Staff Conduct

All staff members are aware of their roles and responsibilities as Cardiff City Football Club ambassadors. We expect them to carry out their duties professionally, and to communicate with supporters and stakeholders in a respectful, courteous, and efficient manner. If problems arise, they should make every reasonable effort to resolve them immediately, however, we appreciate this is not always possible and further endeavours may be necessary.

Legal rights

Discrimination was previously defined through a series of Legislative Acts, including the Race Relations Act, the Sex Discrimination Act, the Disability Discrimination Act, and the Equality Act 2006.

In April 2010, the Equality Act 2010 received Royal Assent. This replaced the individual pieces of legislation. It applies throughout the UK, and came into force in October 2010 harmonising where possible, and in some cases extending protection from discrimination.

Discrimination refers to unfavourable treatment based on 'protected characteristics'. Under the Equality Act 2010, these are defined as age (employment only until 2012), disability, gender reassignment, marital or civil partnership status (employment only), pregnancy and maternity, race (which includes ethnic or national origin, colour, or nationality), religion or belief, sex (gender) and sexual orientation.

Under the Equality Act 2010, individuals are protected from discrimination on grounds of a 'protected characteristic'. This means that individuals will be protected if they have a characteristic, are assumed to have it, associate with someone who has it or with someone who is assumed to have it.

Forms of discrimination and discriminatory behaviour include the following:

Direct discrimination

Direct discrimination can be described as less favourable treatment on the grounds of one of the protected characteristics.

Indirect discrimination

Indirect discrimination occurs when a provision, criterion or practice is applied to an individual or group that would put persons of a particular characteristic at a particular disadvantage compared with other persons.

Discrimination arising from disability

When a disabled person is treated unfavourably because of something connected with their disability and this unfavourable treatment cannot be justified, this is unlawful. This type of discrimination only relates to disability.

*The exception to this is pregnancy and maternity, which does not include protection by association or assumption - a woman is only protected from discrimination on grounds of her own pregnancy.

Harassment

Harassment is defined as unwanted conduct relating to a protected characteristic that has the purpose or effect of violating a person's dignity, or which creates an intimidating or hostile, degrading, humiliating or offensive environment for that person.

Victimisation

It is unlawful to treat a person less favourably because he or she has made allegations or brought proceedings under the anti-discrimination legislation, or because they have helped another person to do so. To do so would constitute victimisation.

Bullying

Bullying is defined as a form of personal harassment involving the misuse of power, influence, or position to persistently criticise, humiliate or undermine an individual.

We operate a robust reporting procedure in order that we can deal with issues efficiently and effectively.

Policy on Tragedy Chanting, Provocative banners and clothing.

Cardiff City Football Club will not tolerate “Tragedy Chanting” and it wants our fans to understand the impact it has on family, friends, and football supporters in general. Those closely associated with loss and tragedy and many other fans can become deeply distressed when hearing such chants and it is therefore totally unacceptable behaviour!

We advise that offenders will be sanctioned by the Club, in accordance with our Ground Regulations, Customer Charter, Code of Conduct and Club Sanction Policy. Incidents are also likely to be investigated by the Police for such chanting and associated negative behaviour is now considered a Public Order offence.

Thereafter such behaviour WILL be considered for further action as identified above.

Section B – Appeal Procedure

To appeal a ban in the first instance please e-mail club@cardiffcityfc.co.uk, heading the e-mail "Ban Appeal".

The Appeal will be heard by the Stadium Appeal Panel who will be comprised of Steve Borley, Tomos Nash, a member of South Wales Police Football Policing Unit and an elected member from the Clubs Travel Group.

The appeals procedure for any ban issued will be:

- Less than 6 games - No immediate appeal mechanism (due to pragmatic constraints)

- More than 5 and up to 10 games – an appeal can be lodged after 5 games
- Bans allocated for a fixed number of games where it extends to more than 10 – an appeal can be lodged after 50% of the games
- Bans allocated for a fixed time period (typically 1 year or more) – an appeal can be lodged after 50% of the time period.

The Club is working with the EFL and South Wales Police to determine and introduce a restorative justice mechanism with the aim of repairing the harm and finding a positive way forward.

Persons banned for less than 6 games can appeal after the ban's conclusion and if successful it will be expunged from their record and match tickets refunded.

Any persons not complying with a Club ban (i.e., gaining or attempting to gain entry to any ground where Cardiff City FC are playing whilst a ban is in force) will have an extension added to their current ban, at the discretion of the Stadium Safety Sanction Panel.

In line our Cooperation Agreement, South Wales Police will be informed when a Club ban is administered. The Football Authorities, including the SGSA and the Safety Advisory Group may be updated periodically as required.

Please note any person issued with a Club ban will not be eligible for any refunds or discounts in relation to individual, season ticket or membership purchases.

Club bans of more than one year will result in cancellation of tickets, membership and the Club discounts involved. Club bans will extend into stadia operated or managed by the Club and may be published within Club or other media publications.

There is no right of appeal via the Club against an FBO. Such appeals must be made to the courts.

All Club stewards are required to undertake a comprehensive training programme and must have either achieved, or be working towards, NVQ Level 2 in Crowd and Spectator Safety. Many of them will have undertaken other specialist training, with many of the Supervisors and Team Leaders achieving NVQ Level 3 as part of their personal development plan.

The primary function of stewards is to ensure that all supporters have a safe and enjoyable visit to the Stadium. Our staff are required to enforce the Ground Regulations.

All stewards are required to be considerate and ensure that any tasks undertaken are done so in a respectful manner so as not to detract from the customer experience. Nevertheless, our Safety Management Team has the right to refuse entry or eject and subsequently ban any supporters who do not adhere to the Ground Regulations and / or our Club procedures. Our stewards are empowered to act in line with these rights as appropriate and necessary.

Travelling to the Stadium

Supporters can get to the stadium in various ways.

For those that drive here Cardiff City Football Club provides parking facilities on matchdays. We have circa. 80 accessible parking bays, which are sold on a seasonal basis to Season Ticket Holders. We currently have a Waiting List for these permits - To add your name to the list please call the Ticket Office on 03333 111920 or email our Disability Access Inclusion Officer at club@cardiffcity.co.uk

Our car park often closes in the hour before kick-off. Closure time can differ based on various safety aspects. Please factor this into your travel plans when travelling to Cardiff City Stadium.

Parking permits purchased on a seasonal basis from Cardiff City FC can only be used for Cardiff City FC fixtures, including cup fixtures and friendlies. They do not apply to other events such as FAW fixtures or concerts. For parking information on other events, or for further information, please e-mail club@cardiffcityfc.co.uk.

We respectfully ask visitors to use our on-site parking facilities and consider our neighbours by not obstructing footways and / or private entrances. Cardiff Council Enforcement Officers and South Wales Police are on duty on event days and will ensure vehicles are parked legally, and issue Penalty Charge Notices where appropriate.

Alternatively, we operate a Shuttle Bus service between the City Centre and the stadium for all home league games. Buses depart Wood Street every 15 minutes from kick off minus two hours, with returns post-match running until crowds have cleared.

Smoking Policy

As stated within the Ground Regulations, smoking is not permitted within the Stadium. This includes the use of electronic cigarettes and vaporisers.

At our discretion, we may allow supporters to exit at half time for a smoking break. The terms of exit are such that you are leaving to smoke or vape or accompany someone who is doing so. You must re-enter within 5

minutes of the second half kick-off or upon the instruction of our Stewards. You are not authorised to leave the designated "Smoking Area" and any such action will result in your being deemed to have left the stadium and re-entry being refused.

Environmental Policy and Sustainability

We acknowledge that our activities impact the environment. We strive to be as environmentally friendly as we possibly can and as such, we have integrated waste management systems at Cardiff City Stadium. These help us maximise the recovery of recyclables and minimise residual waste for disposal. We would ask our supporters to consider the impact you have on the environment and sustainability when visiting the stadium and use the appropriate bins etc. for your waste.

Systems and processes are in place to manage:

- Stands and spectator areas
- Concourses
- Corporate Hospitality areas
- Car Park and outer footprint

As a Club we are fully signed up to EFL Green Clubs initiative and work closely with Cardiff Council to ensure that such operations are properly integrated and efficient channels of communication are maintained. The Club also fully supports the Council's 'Love where you Live' campaign.

We encourage all our operating partners to also engage in protecting the environment and maximising sustainability.

Charities and Good Causes Policy

Cardiff City Football Club understands the positive impact it can have in helping generate much-needed funds for charities and good causes. The Club aims to support the hard work of charities and fundraising groups across the country, but particularly in the local area.

Cardiff City FC's recognised charity partner is the Cardiff City FC Community Foundation. (Charity No. 1128443)

The foundation received charity status in 2009 and aims to use the power of sport and education to change lives and inspire people to be more active, included, healthy and knowledgeable. It reaches over 30,000 people every year and aspires to reach many more. They are responsible for thousands of young people participating in grassroots football, both in and out of school curriculum time, bringing the professional game closer to the community.

The Club receives a significant number of charitable requests for tickets, signed memorabilia and donations each season. Although we do our best to support as many as we can, we cannot guarantee a successful application. Signed memorabilia is typically reserved for our nominated charities, although requests from long-standing season ticket holders will be carefully considered.

We also authorise bucket collections at several fixtures throughout the season and applications can only be made by registered charities.

Requests should be submitted to our Fan Engagement Team either by e-mail (dub@cardiffcityfc.co.uk) or by post to: Fan Engagement Team, Cardiff City Football Club, Cardiff City Stadium, Leckwith Road, Cardiff, CF11 8AZ.

The Club will seek to fulfil requests from organisations in the local area prior to any national groups, however, may make special provisions in exceptional cases.

Please Note: A Junior Under 14 years of age will not be permitted to enter the stadium without being accompanied by an individual aged 18 years or over.

FAMILY STAND POLICY

Cardiff City Football Club strives to provide the safest environment when it comes to bringing families to football.

We are always looking to welcome the next generation of Bluebirds to Cardiff City Stadium, and, as such, will implement policies and procedures to maintain the integrity of our Family Stand. On this basis, we must make sure that the Stand has a suitable mix of adults, concessions and children.

Our Club policy in the Family Stand is as follows:

- a. There must be at least one Junior U16 and one Adult (18yrs or over) within the booking, in addition to a maximum of two Adults to one Junior U16 ratio.
- b. There are no Junior U16s permitted without an accompanying Adult (18yrs or over), and no Adults (18yrs or over) permitted without an accompanying Junior U16. Please be advised, you may be asked to provide documentation for proof of age at both point of sale and/or at the turnstile.

If the ratio of adults to Junior U16 no longer meets the Club policy upon Season Ticket renewal, the booking will not be valid for renewal in the Family Stand. In this instance, the group will be asked to relocate to another area of the stadium. Alternative options will be provided by the Ticket Office team. Please be advised that an upgrade fee will be applied in this instance, based on the chosen area of relocation.

RETURNS AND REFUNDS

Season Tickets are **NON-REFUNDABLE**. Season Tickets can be transferred to the name of another supporter on a seasonal basis for the fee of £10 plus any additional upgrade charges (written authorisation is required from the current Season Ticket holder, or Next of Kin for this to be actioned).

In the unfortunate event that a Supporter who holds a Season Ticket passes away, no refund will be provided. A Season Ticket may be transferred into the name of another supporter for an administration fee of £10, subject to the production of a Death Certificate and official proof of Next of Kin status. If the new supporter, whom you wish to transfer the season ticket to, falls within a higher priced age bracket or wishes to upgrade to a higher priced seating area, the £10 administration fee will apply to transfer the Season Ticket, in addition to any upgrade fees. No refunds will be provided in the event of a downgraded Season Ticket transfer.

SEASON TICKET OWNERSHIP DISPUTES

If a Season Ticket is purchased by someone other than the seated Season Ticket holder and a dispute occurs, the individual who purchased the Season Ticket/s will have full rights to any Season Tickets purchased within the transaction (subject to proof of purchase being provided).

SEASON TICKET CONCESSION UPGRADES

Season Ticket upgrades will be calculated based on the prices set at the time of the original Season Ticket purchase, and will not be calculated based on any events that may have passed (e.g., a Junior U16 Season Ticket purchased during the Early Bird price window that has been utilised for game entry, can be upgraded to an adult Season Ticket but will be charged at the original Early Bird Adult rate, not taking into consideration any games that may have passed). Once purchased, Season Tickets can be upgraded to a higher priced area, subject to relevant upgrade fees being paid.

SEASON TICKET MOVEMENT

A Season Ticket can be moved to any equally or lower priced area of the ground for an administration fee of £10. Season Tickets can be upgraded to a higher priced area, subject to any relevant price difference being paid plus the administration fee of £10.

The Club reserves the right to relocate, when necessary, either a Season Ticket or a matchday ticket purchase. Should this situation occur, supporters will be contacted. There will be no compensation or refund issued.

PURCHASING AWAY LEAGUE/CUP TICKETS

Season Ticket holders are entitled to purchasing 1 ticket per valid season ticket (subject to availability, or pre-determined sales criteria and any alternative pandemic restrictions) Where possible, season ticket holders will be prioritised over club members. The Season Card/ Digital Pass will only be returned or re-activated upon receipt of payment for the relevant upgrade charge, in addition to a penalty fee of £10 per user. All Season Ticket holder benefits will be stopped until the upgrade fee is paid.

BEHIND CLOSED DOORS / REDUCED CAPACITY FIXTURES

If any home fixture included as part of your Season Ticket is played behind closed doors, or with a reduced capacity (that affects your purchase) during the 2025/26 season, it is our intention to offer all Season Ticket holders the chance to enter the selection process for a chance to secure a ticket for a reduced capacity home league match.

The Club will announce individual on-sale dates for these events at the appropriate time. Supporters will need to apply for each reduced capacity home league fixture via our official ticketing website: tickets.cardiffcityfc.co.uk

The order of the sale will be determined after consideration of government guidelines at the time and subsequently published on our official website.

In the event of fixtures being played with reduced capacity restrictions, we cannot guarantee that your renewed/purchased Season Ticket seat will be available. In such cases we will issue you ticket for an alternative seat, subject to availability and selection procedure in place.

Those who are unsuccessful in their application for a ticket for a reduced capacity fixture, will be awarded an online ticketing voucher to the value of their Season Ticket price per game which can be used towards the renewal of a 2026/27 Season Ticket or towards home league tickets during the 2025/26 season.

The Club will aim to provide the opportunity for current 2025/26 Season Ticket holders to purchase a streaming pass for such events, subject to streaming passes being offered by the EFL and governing bodies. Streaming pass prices are set by the EFL, and if made available, must be purchased individually.

The Club commits to reviewing its policy at regular intervals, in accordance with Welsh Government or relevant governing body policy.

ABANDONED / POSTPONED MATCHES

In the case of an abandoned or postponed fixture, Season Ticket holders are entitled to use their original ticket to access the re-arranged game. The club does not provide refunds for any postponed or rearranged matches for Season Ticket holders.

If a match is abandoned after spectators are admitted to the ground but before kick-off, ticket holders will be entitled to free admission to the rearranged match.

If a match is abandoned after kick-off, the Club reserves the right to charge the full ticket price for the rearranged match; however, every effort will be made to avoid this.

MATCH CANCELLATIONS

In the event of a pandemic, If a match is cancelled and is not to be rearranged Season Ticket holders will be entitled to a pro-rata refund to the value of their Season Ticket for that event. Season Ticket holders will have the opportunity to select their preferred method of refund, to include a cash or card refund, a ticketing voucher to be held on the Season Ticket holder's ticketing account, or a donation to the Cardiff City FC Academy.

RESCHEDULED FIXTURES

Fixtures are released by the EFL in June prior to the season start date. All fixtures are subject to change. Season ticket holders will not be eligible for a refund if they are unable to attend a rescheduled fixture. Any change in fixtures will be communicated to supporters via our official website, official club app and social media channels.

Family Season Ticket and Match Tickets

We are always looking for the next generation of Bluebirds and as such, we need to implement policies and procedures that will maintain the integrity of our family stand and thereby encouraging future generations. On this basis, we have to ensure that the family stand has the right mix of adults, concessions and Juniors U16. Please refer to the policy below.

Our Club policy in the family stand is as follows:

- a. There must be at least one Junior U16 and one adult per group purchase and a maximum of two adults to one Junior U16 in any group purchased within our Family Stand.
- b. There are no Junior U16 permitted without adults and no adults permitted without Junior U16. Please be advised, you may be asked to provide documentation for proof of age.

If the family stand ratio of adults to children is abused in this instance, the group will be asked to relocate to another area of the ground. Alternative options will be provided by the ticket office team. Please be advised that an upgrade fee may be applied in this instance, based on the area of relocation.

2 X Family Junior Under 16

All tickets will be blocked until the upgrade fee is paid.

Cardiff City Stadium (“CCS”) - Lost Property Policy & Procedures

(Version 3.1 May 2024)

Introduction

As businesses must ensure that they take ‘reasonable’ steps when something is found on their property, Cardiff City Stadium has a policy in line with this requirement.

This Policy has been prepared to provide guidance to staff on the procedures to manage and control lost property in an open, fair, and documented way, thereby protecting the interests of both employees and visitors.

CCS has a responsibility to provide safe custody of money and other personal property handed in by staff, or visitors that has been found within our footprint. Any such items or objects regardless of value, are considered lost property and should be dealt with as detailed.

By definition ‘Lost property’ is a broad term used to identify items that do not belong to CCS and have been left (accidentally or otherwise) within our footprint. ‘Lost property’ does not refer to items left in the care of staff for the duration of a visitor’s stay, for example a pushchair or an item of luggage. ‘Lost property’ also relates to an item which has been reported lost but has not been found by or handed into our staff.

For the purposes of this policy lost property has three classifications: (a) Valuable items (b) Low value, non-perishable items (c) Perishable / Personal items

Process

Where someone, be they a visitor or member of staff, finds something within the stadium footprint they should **hand it in to our Reception Team** who will then register details and store items as securely as is necessary. They will also respond to enquiries related to any lost or found items, in conjunction with our Stadium Operations Team.

Items should be accompanied by a Found Item Report. Items **must not be left on the reception desk. They should be retained until Reception Staff are available to enable logging and safekeeping.*

We will hold an item until it is claimed, or for a period of 35 days, before disposing of it. If claimed, we will record full details of the claimant and in some instances will ask for identification and verification of ownership. Any unclaimed items will be disposed of:

By being given to our designated charity – Barnardo’s (Class B items)

Through a suitable recycling facility or destroyed (Class C items)

Any person who believes they have lost an item within the stadium footprint should contact us by telephone, in person or via e-mail to stadium@cardiffcityfc.co.uk

We operate this policy and service although there is no legal requirement for us to do so. Cardiff City Stadium and / or Cardiff City Football Club takes no responsibility for the safe keeping or handling of any items as referenced within this policy.

APPENDIX 7

Introduction

Welcome to the Cardiff City 2025-26 Fan Engagement Plan.

As the Director nominated by the Board, I am proud to present our vision, aims, values, and objectives for fan engagement. At Cardiff City, we believe that our fans are at the heart of everything we do, and their unwavering support is what drives us to succeed both on and off the pitch.

Our overarching vision is to create a truly inclusive and interactive fan experience that fosters a strong sense of community and belonging among our supporters. We aim to engage with our fans in meaningful ways and provide them with unique and memorable experiences that go beyond matchdays.

Our values of integrity, passion, and respect guide all our interactions with fans, and we are committed to building strong relationships with our supporters based on trust and transparency. We strive to create a welcoming and inclusive environment where all fans feel valued and heard.

In terms of our objectives, we have set measurable goals for fan engagement and commit to hosting regular forums where fans can meet with senior officials at the football club. Minutes will be produced and displayed on our official website and distributed amongst our various Supporter Groups.

We will also implement fan feedback mechanisms that support our ethos to continuously improve the fan experience. Regular evaluation of progress will be undertaken and will enable us to report back to the League on our activities and achievements at the end of the season.

I am confident that by working together with our fans, we can create a fan engagement strategy that not only meets the expectations of anyone connected with the club but exceeds them.

Everyone at the club appreciates your continued support and dedication to our Club.

Many Thanks,

Steve Borley

Director

APPENDIX 8

Our Fan Engagement Commitment / Engagement Pledge

Cardiff City Football Club agrees to fully comply with EFL Regulation 128 and its requirements regarding Supporter Engagement.

Regular meaningful communication with supporters is important, and we will continue to do this through various channels such as the Fan Advisory Board and Supporter Liaison Officer meetings, Fan Parliaments and Social Media output.

The Club also pledges to discuss any Heritage Items that may be in scope for consultation, such as any matter linked to the Club's name, badge, stadium and other areas of our history.

The Club is always seeking to improve and provide opportunities for fans to be involved, and over recent seasons we have continued to enhance the way we set out to achieve this.

At Cardiff City Football Club, we have made considerable progress through supporter consultation and engaging our fanbase such as:

- The creation of a FAB at the Club.
- Consultation regarding ticket policies and listening to fan feedback on ticketing issues.
- Recognising and celebrating the important role that fans play in the success of the Club.
- Encouraging inclusivity and diversity within the fan base and actively seeking to engage with all supporters, ensuring equality for all.
- Committing to resolving any supporter grievances or concerns in a timely and respectful manner as set out in our Customer Charter.
- Continuously seeking ways to improve supporter engagement and implementing feedback from fans to enhance the fan experience.

Keeping Our Supporters Engaged

The Cardiff City Football Club Fan Engagement approach seeks to continually improve dialogue with supporters and ensure that their voices are heard and considered in decision-making processes. We value the input of our fans and are committed to creating a strong and positive relationship with them.

To achieve that goal, the Club works to engage supporters in several ways:

We meet with our various official Supporters' Club organisations regularly throughout the season. These are the Fan Advisory Board (FAB), Cardiff City Supporters Club (CCSC), Cardiff City Supporters Trust (CCST), Cardiff City Disabled Supporters Association (CCDSA), and Travel Club representatives. A list of the recognised supporters' groups can also be found on our website.

The various measures ensure we can listen and learn from supporters on what areas matter to them.

The structure of our engagement activity is set out in the timeline below.

We commit to meeting throughout the course of the season and operate a multi-level engagement policy. We publish appropriate minutes from meetings and senior club officials will also provide periodical updates on our website to update interested parties on progress made against our Fan Engagement objectives.

Meetings are attended by the Nominated Board Level Member, Heads of Department as well as our Fan Experience and Liaison Leads. Our approach is very much one of inclusivity and transparency.

Cardiff City Fan Advisory Board (FAB)

Cardiff City Football Club are delighted to have introduced a Fan Advisory Board (FAB) in February 2024. They are an elected body of supporters who have the Club and fans' interests at heart and represent the views of the fans. Their aim is to work closely with the Club for the benefit of all interested parties.

A useful "Question & Answer" section can be found here:

<https://www.cardiffcityfc.co.uk/club/fan-advisory-board>

The board meets with Senior Club Representatives regularly over the season with the remit of engaging with the Club in respect of our long-term decision making.

Under the Terms of Reference agreed between the elected fan representatives and the Football Club. Examples of topics to be covered are:

- Competition matters
- Enhancing the fan experience
- Stadium development and projects
- Sustainability and corporate and social responsibility initiatives
- Improving fan products and services
- Football governance

Club Commitment to Update Fans

Cardiff City Football Club commits to provide regular updates to supporters regarding its fan engagement activity. We want our fans to feel involved in the process, and we therefore commit to listening to feedback and views on any aspect of this Plan.

Should there be any changes or updates to the Club's FEP we will communicate these clearly and promptly to fans, explaining the reasons behind the changes and how they align with the Club's objectives. As previously outlined, transparency and accountability are key. The Club's Lead Contact will provide regular updates on the performance of the FEP, including any successes or challenges faced, and how these are being addressed via the Club website.

The Club is open to feedback and engagement from fans on the FEP and its progress. We welcome comment across a range of our established engagement areas such as our fan forums or surveys.

Club Commitment to Fan Collaboration

Cardiff City Football Club works collaboratively with its recognised supporter bodies, and we have asked them individually to endorse this plan.

We are on a journey together and therefore it is important that we align on various aspects of activity and progress while recognising the ability of those bodies to challenge the Club and also seek clarity where required.

The various mechanisms outlined in the FEP enable the above to be achieved.
