INTRODUCTION

Cardiff City Stadium (CCS) is the home of Cardiff City Football Club, but also hosts several other events, both large and small scale each year.

This guide has been designed to help away team supporters get the most out of a visit to Cardiff City Stadium. It contains information to ensure you have a great time here, including directions, parking information and much more.

Our aim is that visitors have an enjoyable experience, irrespective of the result on the day!

We really hope this guide helps with your planning and enjoyment of the time you intend to spend with us.

THE HOME OF CARDIFF CITY FOOTBALL CLUB "THE BLUEBIRDS"

When attending a football fixture involving Cardiff City, we are happy to accommodate supporters irrelevant of race, gender, age, religion, disability, or sexual orientation. We would however point out that we do have a minimum age restriction (13 years) for "unaccompanied" youths, as per our Safeguarding Policy.

We want every supporter to have an enjoyable matchday experience, irrespective of the result. Cardiff City FC has been recognised by several bodies in past seasons and has received the EFL Fan Experience Award and the Premier League Extra Mile Award.

Cardiff City Football Club look forward to welcoming you to Cardiff City Stadium and wish you a safe journey to and from the venue.

If you have any questions about attending a match, and can't find the answer within this guide, then please contact us via e-mail at stadium@cardiffcityfc.co.uk

BANNERS, FLAGS & SIGNS

Cardiff City Stadium welcomes support as demonstrated by Banners, Flags and Signs.

To ensure these articles do not upset or distract others we ask that the custodian adheres to the following guidelines:

- They are not more than 8ft x 4ft (larger items such as crowd surfing banners allowed only by prior consent).
- They have an appropriate fire certificate.
- They are not placed in the eyesight of other visitors.
- They do not obstruct any signage or advertising.
- They are not of a discriminatory, commercial, political, contentious, or obscene nature.
- They are not likely to cause alarm or distress to other visitors, supporters or groups / football clubs, its directors and/or staff.

The Stadium Manager / Safety Officer reserves the right and sole discretion to deny a custodian permission to bring into, or display within, Cardiff City Stadium any Banner, Flag or Sign.

MUSICAL INSTRUMENTS & MEGAPHONES

Our stadium policy is not to allow such items.

SAFETY & SECURITY

We would request that all supporters arrive with plenty of time before kick-off. You should take into consideration such things as passing through stadium security controls prior to entry.

Please avoid bringing bulky items or large bags with you. Due to historical worldwide events any items that a custodian wishes to bring into the stadium will be thoroughly searched, and some items may not be allowed.

There is typically a visible police presence at our events although the presence inside the stadium will continue to be reduced in line with our event risk assessments. However, a robust policing operation is regularly prevalent on the footprint to ensure public safety and reassurance. We ask all visitors to be alert but not alarmed. It is our objective to provide a safe, secure, and welcoming environment and your assistance is really appreciated.

Although there is no specific threat to the stadium, terrorism is a real and ongoing concern, and we must therefore all be vigilant, alert but not alarmed.
