

Cardiff City Fan Advisory Board

Cardiff City Fan Advisory Board will be starting their third year of operation, in August 2026, an election of six supporters to act as representatives on the board for the next term of service will take place.

The Fan Advisory Board (FAB) engages regularly with the club and discusses topics, exchanges information and shares insights on potential decisions that impact Cardiff City FC supporters.

The board can confirm today the process in place to determine who will serve in those positions for the subsequent three-year term.

Since the establishment of the FAB in 2024, there has been healthy dialogue and genuine collaboration to achieve more as a club together. We want to ensure that this continues both in the way the club and the FAB work together, and with a FAB truly representative of the fan base.

To maintain consistency, the FAB will continue to consist of a mix of directly elected officials and representatives nominated by supporter groups and organisations. Individual supporters have the chance to stand for election providing they meet certain criteria.

How to stand

Elected persons are permitted to stand for two terms only which means the current representatives can seek election for one more term, should they wish to do so.

The candidates going forward into the election will be selected by a nominations process designed to ensure a diverse collection of supporters is on the voting form. This process, which has been agreed with the current committee of the FAB, will be as follows:

Supporter groups

- Cardiff City Supporters Club, Cardiff City Supporters' Trust and Cardiff City Disabled Supporters Association as the three recognised / affiliated groups of Cardiff City, are to have 2 members each on the Fan Advisory Board. This is an adjustment to the previous structure of the FAB, where there was only one DSA representative, there

will now be two DSA representatives, to make an even balance of the supporter groups.

- Each group will have a permanent position on the board, with their representatives having a term of three years and be able to re-nominate representatives of their committees to sit on the board. Existing representatives can re-sit on the board if elected by their supporter group committee.

3 x Individual supporters

- Any individual supporter who is either a Cardiff City season ticket holder, Member or Away Member, may put themselves forward for election providing they obtain 3 nominations from fellow supporters who are season ticket holders Away Member or Members. Those who achieve the necessary nominations will be contacted to confirm they are willing to stand.
- Following this initial stage, the FAB will review the candidates and select a minimum of six to go forward for election to the fan base.
- The currently serving elected officials on the FAB can stand again for election.
- The three highest votes will be elected onto the FAB

1 x Female supporter 25+

In addition to the three representatives that will be selected by the above process, one additional female supporter aged 25+ will be selected to represent the Cardiff City female supporters:

The currently serving elected officials on the FAB can stand again for election

Following this nomination stage, the FAB will review the candidates and select three to go forward for election by the fan base.

- The individual with the highest votes will be elected onto the FAB

2 x Representative's from Cardiff City Young Supporters (Under 25) 1 x Male – 1 x Female

- In an adjustment to the previous structure of the FAB, there will now be two under 25 years old supporters elected, one male and one female, this is in contrast to one under 25 representative in the last elections.
- Any individual supporter under 25 years old, who is a season ticket, away member or member for Cardiff City matches may put themselves forward for election providing they obtain 3 nominations from fellow supporters who are either season ticket

holders, away members or members. Those who achieve the necessary nominations will be contacted to confirm they are willing to stand.

- Following this initial stage, the FAB will review the candidates and select four males and four females to go forward for election by the fan base,
- The two highest male votes and two highest female votes will then be elected onto the FAB.

Following the election process, the six representatives chosen by the vote will join the FAB alongside the six statutory members

The chair of the Fan Advisory Board will be decided at the first committee meeting.

Season ticket holders, as well as those with either a Member or Away membership will be eligible to vote. ***All candidates must possess the same eligibility to run for election and must be 18 years of age or over.**

Election timeline

- The application opens for all nominations from the 1st July
- The application deadline for all nominations is 7th August 2026
- Voting by supporters opens on 10th August 2026
- Voting by supporters closes on 25th August 2026
- The elected representatives on the FAB for the next two years will be announced on 27th August 2026

Fill in the form below to nominate an individual supporter candidate

Submit your nomination for the Fan Advisory Board election below.

Supporters are invited to make nominations for the upcoming Fan Advisory Board (FAB) elections.
